
Statement of Equipment Defect

This is to advise the defect(s) of the following equipment and parts (as described in details):
IS/PH177 Samsung Mobile Phone

The statement is given after checking the condition of the equipment.

Checked by : _____

Badge No : _____

The defect(s) involves the following parts of the equipment:

Type of defect :

☐

Normal use.

☐

Other than normal use, (please specify) _____

Considering the defect(s) as mentioned above, our recommendation is as follows:

☐

The equipment cannot be repaired due to the obsolescence of spare-parts.

☐

The equipment shall NOT be repaired because the repair cost is too expensive compared to the price of purchasing new equipment. (see *attachment*)

☐

The equipment parts can be repaired at user's cost. (see *attachment*)

☐

The equipment parts can be replaced at user's cost. (see *attachment*)
